ICR Training

J37 Effective Project Management for Clinical Trials (3 Days)

30 CPD
POINTS

24th May 2021 - 26th May 2021

J37

Venue - Burnham Beeches Hotel , Burnham

[Course Outline](#)

The Course

This practical course provides delegates with basic project management techniques that can be applied to clinical trial project management. Learning is through a combination of trainer input, discussion groups and exercises. There will be a workshop where delegates will develop a plan for tracking and managing a clinical trial case study. Delegates will receive a comprehensive course workbook.

Learning Objectives

- Define basic project management terms
- Create a work breakdown structure and task network
- Develop a skills matrix
- Define a project schedule and conduct critical path analysis
- Analyse resource requirements
- Describe and apply a process for managing risks
- List the common parameters that need managing and tracking
- Outline a general process for dealing with variance
- Outline techniques for modifying the project plan
- Develop strategies for managing change
- Define strategies for managing and maintaining an effective project team

- Definition of Project Management terms
- The role of the Project Manager
- The life cycle of a project
- Defining a project & developing a project objective
- Project constraints
- Common parameters that need managing & tracking
- The major steps in managing a project
- Creating a work breakdown structure a task network & schedule
- Feasibility studies

Roger Joby

Roger is a chartered scientist and a member of the Association for Project Management (APM), and has been involved in the pharmaceutical industry for over 30 years.

He has experience in Clinical operations, Project Management, Proposal generation and third party contracts at all levels. He has worked as an employee or more recently as a consultant for several Pharmaceutical Companies and Clinical Research Organisations (CROs).

Roger also takes an active part in project management research, and has published several papers on the role of Earned Value Analysis in clinical research with Dr. David Bryde (Liverpool JM University).

Roger also Co-Authored the ICR Publication "Outsourcing in Clinical Research."

In addition to Earned Value, Roger is also interested in Risk Analysis, Project Pricing, Forecasting, and Stakeholder analysis.

Pre-Course Questionnaire - To be completed by all delegates

Accommodation

The ICR does not specifically recommend any accommodation - however the following are within easy travelling distance of the training venue

There are also a number of travel websites which may allow you to identify local accommodation and special offers - e.g. expedia

The Small Print

As a matter of policy we do not issue electronic copies of the slides used.

All ICR materials are copyrighted.

All delegates receive a delegate book.

Payment must be received in advance of a training course commencing. The ICR has the right to refuse entry for non-payment. Payment by invoice must be settled within 14 days from the date of invoice.

We understand that occasionally circumstances may change and that you will be unable to attend your chosen course. Notification of cancellation must be made in writing. If you cancel **more than 14 days prior to the event**, we will refund the course less £50 to cover administration costs. If you cancel within 14 days, no refund will be payable, but we will allow you to transfer to another course of your choice.

We will accept a change of delegate at any time without you incurring a penalty. The Institute of Clinical Research reserves the right to cancel any course that is under-subscribed but will give you 7 days notice in writing and will refund your course fees without any liability for any consequential or indirect loss.

At anytime, you may transfer to the same course within 12 months, or to another course of your choice within 6 months; a £25 administration fee will be charged for such transfers.

We may also need to change the venue but will give you 7 days notice in writing of the new location.

Programmes as published are correct, however due to circumstances beyond our control, trainers, speakers and/or the programme may need to be altered occasionally.

The ICR will work with the venue catering team and endeavour to accommodate specific dietary requirements e.g. Vegetarian/Vegan/Gluten Free – however it is not possible to cover all possible requests for dietary preferences.
