Course Outline

The Course

The ICR Ethics & GCP Forum is the ICR's flagship event for Industry and Academia alike, and it has been running for over 20 years. The forum has a dedicated volunteer committee who plan the content and recruit the speakers, which includes regular speakers with hot off the press topics from the HRA, NIHR and the MHRA. Each forum closes with an up to the minute summary of the changes that have or will be taking place. The Forum is held twice a year, once in Spring face-to-face and the second in Autumn, currently virtually.
